The following criteria must be met in order to be considered for food bank donation:

- Food bank organization have a valid 501C3 tax code
- Food bank must be located in South Carolina within a 120 mile radius of the McCall Farms manufacturing plant (located in Effingham, SC)
- A representative from the food bank must travel to the McCall Farms plant to pick up the donation on the scheduled date/time as communicated by McCall Farms
- Donated product should not be resold under any circumstances
- After the first donation is received, and once a year following, a representative of the food bank is asked to email photos of their facility with McCall Farms products inside

McCall Farms asks that you please do not contact us to inquire regarding the status of your request. We will contact you to let you know if you application is approved and again when product is available for you to pick up approximately 1 week prior to the scheduled date. Please make every effort to arrive on time for pick up, and to notify us at least 3 days prior if you are not going to be able to come. Our policy is to donate no more than (3) pallets of product per calendar year to any one organization.
